

■ 如何設定郵件自動轉寄功能，步驟請參考紅色圈圈內的順序

[新修訂版]

The screenshot shows the '郵件' (Mail) settings page. On the left sidebar, the '選項' (Options) menu item is circled in red with a '1' in a red circle. The main content area is titled '選項：轉寄' (Options: Forwarding). Below the title, there are links for '存取控制', '郵件篩選器', '垃圾郵件控制', and '轉寄', with the '轉寄' link circled in red and a '2' in a red circle. The '轉寄到' (Forward to) field contains 'test111@gmail.com', which is circled in red with a '3' in a red circle. Below this, there is a checkbox labeled '將每一封轉寄郵件儲存一份副本。' (Save a copy of each forwarded message) with the text '自行決定是否要保留' (Decide whether to keep) in green. At the bottom, the '開始' (Start) button is circled in red with a '4' in a red circle. Other buttons include '停止' (Stop) and '重設' (Reset).

[多功能版]

The screenshot shows the 'WebMail - 企業版 - 選項' (WebMail - Enterprise Edition - Options) page in Google Chrome. The browser address bar shows the URL 'staff.mail.fju.edu.tw/cgi-bin/euadmin.cgi/eup/opt_window.html?sessionid=00f456be4fab2b'. On the left sidebar, the '轉寄' (Forwarding) option is circled in red with a '2' in a red circle. The main content area is titled '轉寄' (Forwarding) and has a '套用' (Apply) button circled in red with a '5' in a red circle. Below the title, there are radio buttons for '轉寄郵件' (Forward message), with the '是' (Yes) option selected and circled in red with a '3' in a red circle. The '轉寄地址' (Forward address) field contains 'test111@gmail.com', which is circled in red with a '4' in a red circle. Below this, there is a checkbox labeled '在收件匣中保留每封轉寄郵件的副本' (Keep a copy of each forwarded message in the inbox) with the text '自行決定是否要保留' (Decide whether to keep) in green. The top right corner shows '測試用' (Test) and '選項' (Options) circled in red with a '1' in a red circle, and '登出' (Logout).
